Annual Report
2015-2016

Dear Shareholders,

I am indeed delighted to share that fiscal year 2016 has been a great year with steady growth backed by an improving economic scenario. Our team's incessant efforts to strive for premium quality services and a growing loyal customer base has helped us to expand our footprint to **6** new cities, adding **9** new hotels and **496** no of room keys.

The Travel and Tourism sector contributed 7.5% to India's GDP and is the third largest foreign exchange earner for the country in 2015. Government has taken various steps to attract domestic and international tourists through schemes which includes "Swadesh Darshan" - an integrated development plan of theme-based circuits, "Prasad" to boost pilgrimage tourism and e-VISA facilities. The domestic and international spending on travel and tourism combined is expected to reach Rs 11,060 billion by 2024, according to India Brand Equity Foundation. With a growing disposable income amongst the middle class and their changing life style has led to the growth in domestic tourism.

Our strategy of "Asset Light Model" generated free cash flow in financial year 2016 which helped us prepay some amount of our debt. The new hotels that we added during the financial year 2016 are operated under Management Contracts business model. We added 496 no of keys in FY16 compared to 409 no of keys added in FY15. The growing demand for rooms by leisure and business travelers has led to increase in our occupancy rate and average room rate compared to previous years.

We registered 8% growth in topline from Rs 151 crore in FY15 to Rs 163 crore in FY16. EBITDA numbers witnessed growth by 6.68% in FY16 compared to FY15. Company's net profit has remained under pressure but we foresee a promising year in terms of business & profitability in FY 17. The optimism arises on account of some of the renovated properties getting ready for business and addition of more rooms and services in some of the properties. This year we plan to have management contract with six more properties for 400 rooms and aims to cover all major cities taking the total to 41 properties with 3,000 rooms. The expansion of keys through asset light model will generate healthy revenue and bring down costs substantially which will impact directly to our bottom line.

I would like to thank all our shareholders, employees, travel partners in believing in us and being a part of our journey so far. We promise to remain committed to deliver outstanding results of our company through focus and execution and build enhanced value for all our shareholders.

Key Financial and Operational Highlights

The total income of the Group for the year ended March 31, 2016 was ₹162.90 crores registering a growth of 8% over the previous year.

The Revenue from Standalone operations during the year 2015 - 2016 is ₹ 87.85 crores as compared to ₹ 84.62 crores during the year 2014 - 2015. The Company, on a standalone basis, has earned a profit of ₹ 7.48 crores during the year 2015 - 2016 as against ₹ 8.97 crores during the year 2014 - 2015.

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). According to the Economic Survey 2015-16 conducted by IBEF, the Indian economy will continue to grow more than 7 per cent in 2016-17. The inflation during the year has moderated from 5.2% to 4.8%. Over 7.1 million foreign tourists arrived in 2015.

The Hospitality Industry has grown at a tremendous pace over the years and has emerged as one of the key drivers of growth of the services sector in India. The industry is seeing a cumulative annual growth rate of 11.7% every year and is expected to grow further.

Online booking facilities, social media advertisements and digital operations and IT enabled interactions with the customers have contributed significantly to improve hospitality industry.

However, lack of adequate infrastructure, inadequate talent pool and high attrition rates are still some of the teething problems in the hospitality industry.

Royal Orchid Hotels Limited continues to pursue asset light strategy wherein focusing on adding new Hotels under its Management Wing. The Company aims to cover all major cities in India.

During the year under review the Company has renovated its main Hotels and foresees a promising year ahead with the renovated properties getting ready for business and addition of more rooms and services in some of the properties.

Key Business Developments during the year

Royal Orchid Hotels group currently operates 36 hotels in 25 popular destinations. Royal Orchid Hotels primarily operates 5 and 4 star hotels, enabling it to target the discerning business and leisure traveller.

Your company is continuously striving towards conservation of energy across all its units and has implemented various Energy Conservation programs and latest technology upgradation measures including:

A. Conservation of Energy:

1. Installation of STP / ETP Plant with tertiary system for final treatment and utilization of treated water for cooling tower, flushing, landscaping and cleaning purpose.
2. Centralized Air-conditioning chillers system, waste heat dissipated in the cooling tower is captured in the de-super heater and hot water is generated for domestic use and utilised in Guest room and public area.
3. In place of HSD/LPG fired boilers, we are using heat pump to generate hot water which has resulted in giving us 70% saving on the boiler fuel cost and the cold air which comes out of the heat pump is used as treated fresh air and pumped into the back area or Guest area, thereby giving double advantage on energy conservation.
4. Extensive drive has been taken in replacing high energy consuming Incandescent lamp, Halogen lamp, and Metal Halide & Sodium Vapour lamp to COB LED.
5. Occupancy sensors are provided for lighting and AC in public area, Back of the house, Toilets, Gym, Staircase etc.
6. Dawn & Dusk Sensor, Analog & Digital Timers are used for street lights, Hotel Periphery lights, Building focus lights, Hoardings, Signage's etc.
7. Energy audit, Environment audits are regularly carried out and the recommendations are implemented which gives good returns and reduces operation cost.
8. Rolling out extracts from HACCP, ISO14001, and Green Globe etc.
9. Implementation of Total Productive Maintenance – Japanese Concept for upkeep / Operational efficiency of Plant and machinery, Kitchen equipment, Guest Area, Back Area & public area.

10. Implementation of Green Building requirements in a phased manner.
11. Solar System for hot water generation and lighting is implemented.
12. Implementation of Balance score card for development of Process to improve operational efficiency.
13. Building Management System is installed for efficient operation of engineering system.
14. Smart TV's are installed in the guest room to meet the present requirement of the guest.
15. All new hotel projects have achieved 100% LED Lighting for energy conservation.
16. Rain water harvesting is implemented for water conservation and water conservation program is implemented across the group.
17. All the cold equipments purchased for new upcoming hotels use eco-friendly Refrigerant Gas.
18. All the hotel room we are using only energy efficient Absorption system minibar bar Refrigerators.
19. In all the buffet counters we have replace the fuel usage with energy efficient induction heating.
20. In staff cafeterias we are using eco-friendly cooking units with pellets.

B. Technology absorption

In the opinion of the Board, the required particulars pertaining to technology absorption as per Rule 8 of Companies (Accounts) Rules, 2014 are not applicable as the hotel forms a part of the service industry and the company does not have any significant manufacturing operations. The Company has also taken several constructive steps to conserve energy through its sustainability initiatives.

SECRETARIAL AUDIT REPORT **FOR THE FINANCIAL YEAR ENDED 31st MARCH 2016**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
 Royal Orchids Hotels Limited,
 Bengaluru

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Royal Orchids Hotels Limited (hereinafter called the "Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2016 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder which have been notified and the Companies Act, 1956 which are still in force.
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign

Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable:-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- vi. Other Laws specifically applicable to the Company:
 - a) Food Safety and Standards Act, 2006 and Food Safety and Standards Rules, 2011.
 - b) Food Safety and Standards (Packing & Labelling) Regulations, 2011.

For the purpose of examining adequacy of compliances with other applicable laws reliance has been placed on the Compliance Certificate issued by the officials of the Company, at each Board Meeting, based on the report received by the Company from its hotels and service units etc. as part of the Company's Compliance Management and Reporting System. Based on the aforesaid internal compliance certificates, we are of the opinion that the Company has generally complied with the following:

1. Deposit of Provident Fund, Employee State Insurance, Employee Deposit Linked Insurance and other employee related statutory dues.

Boards' Report *(continued)*

2. Applicable stipulations pertaining to the Payment of Wages Act, Minimum wages Act, Contract Labour (Regulation and Abolition) Act and other related legislations.

However, notices received from the statutory authorities, if any, are reported as part of Board process for compliance reporting and appropriate action is taken from time to time.

I have also examined compliance with the applicable clauses of the Listing Agreements entered into by the Company with National Stock Exchange and Bombay Stock Exchange and Regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, for the respective applicable period.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the observation in **Annexure A**, however, this is not an adverse remark or qualification.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except in the case of one Board Meeting and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Management Discussion and Analysis

Industry Structure and Developments

World Tourism

In 2015 travel and tourism contributed USD 7.2 trillion to world GDP representing 9.8% of global GDP. Travel and Tourism industry grew by 3.1 per cent in 2015, thus recording the 6th consecutive year of positive growth for the sector. However, the growth in travel and tourism was weak because of weaker than expected economic growth at 2.3 per cent. The sector was also impacted by series of terrorist attacks in countries like Egypt, France, Indonesia, Kenya, Nigeria, Thailand and Tunisia.

Major components of the travel and tourism industry are expected to show faster growth in 2016 as compared to 2015, investment in travel and tourism is expected to grow by 4.7 per cent in 2016 whereas the domestic and international travel and tourism spending is expected to grow by 3.3 per cent and 3 per cent respectively.

Tourism in India

India is a large market for travel and tourism owing to its vast portfolio of niche tourism destinations. According to India Brand Equity Foundation India has been recognized as a destination for spiritual tourism for domestic and international tourists. Travel and tourism sector has made a contribution of USD 136.3 billion to India's GDP in 2015. The contribution of the travel and tourism sector is expected to increase to USD 275.2 billion in 2025. For India, Travel and Tourism is the third largest foreign exchange earner.

The Medical Tourism Market Report 2015 stated that India was "one of the lowest cost and highest quality of all medical tourism destinations". The government has also launched a new category of Visa known as the M Visa to encourage medical tourism in the country. The Government is also extending its e-Tourist Visa to more and more countries and this facility is now being offered to 150 countries with additional 36 countries likely to be added to the e-Tourist Visa list soon. The results of this facility was also visible this year with 274% growth in tourist arrivals at 4,71,909 on e-Tourist Visa between January - June 2016 compared to 1,26,214 tourist during the same period last year.

The investment in tourism sector is expected to be USD 12.4 billion in the 12th Five Year Plan; of these, private investments are likely to total USD 9.2 billion. Furthermore the government has announced 100 per cent FDI in hotel and tourism sector through the automatic route. A five-year tax holiday has been offered for 2, 3 and 4 star category hotels located around UNESCO World Heritage sites (except Delhi and Mumbai).

According to WTTC report (Travel & Tourism Economic Impact 2016) strong growth forecasted during the coming years will elevate India into the top ten Travel & Tourism economies by 2026, moving India from 12th in 2015 to 7th by 2026 in terms of total travel and tourism GDP.

Hospitality

According to IBEF the Indian tourism & hospitality industry is one of the key drivers of growth among the services sector in India. The service sector comprising of hotels and restaurants, repair services and trade has contributed nearly USD 187.9 billion or 12.5 per cent to the Gross Domestic Product (GDP) in 2014-15. The hospitality industry is also one of the fastest growing sectors growing at 11.7 per cent CAGR from 2011 – 12 to 2014 – 15. With increased government initiatives to facilitate tourism and ever growing business opportunities in India the Indian hospitality industry seems poised for the next up cycle. We expect supply to be low in the forthcoming years where as demand to pick up. During FY 2015 – 16 occupancy levels and ARR has increased/decreased across major markets in India.

The launch of several branding and marketing initiatives by the Government of India, such as "Incredible India!" and "Athiti Devo Bhava", have provided a focused impetus to growth of tourism in India.

Outlook

The various initiatives undertaken by the government to promote tourism especially in tier-II and tier-III cities augurs well for the hospitality industry and Royal Orchid Hotels. The increase in salaries of government employees under the 7th Pay commission will also prompt leisure travel especially on week-ends. The Company's is well prepared to capitalize on these opportunities along with revival of regional airports under new aviation policy, increased foreign tourist arrival due to e-tourist visa. Royal Orchid room inventory is expected to touch 3300 by end of this financial year. We will continue with the strategy of asset light model with management contracts as it helps in improved profitability. We are confident that the current year will be a remarkable year for Royal Orchid in laying the foundation for next phase of growth and returning back to profitability after a gap of three years.

Discussion on Financial Performance with respect to Operational Performance

During the year 2015-16, Royal Orchid consolidated revenue stood at ₹ 158.54 crores compared to ₹ 147.75 crores for the corresponding period previous year, a growth of 7.3 per cent.

The Company recorded a Consolidated EBIDTA of ₹ 26.02 crores for the financial year ended 31st March 2016 as compared to ₹ 24.39 crores for the previous year, thus recording a growth of 6.68 percent. On improved operational efficiency, the net loss declined to ₹ 1.30 crore from ₹ 3.87 crore in the corresponding year.

The Company continues to expand through 'asset light strategy' and building the brand portfolio through Management Contracts and Franchise contracts in various parts of the country and abroad.

Management Discussion and Analysis *(continued)*

• **New Hotels opened during the year**

During the year under review, the Company has opened Regenta Orkos, Kolkata, Regenta Almeida, Zirakpur, Regenta Resort Central, Dandeli, Regenta Inn, Bengaluru, Regenta Camellia Resort and Spa, Santiniketan, and Regenta Resort Vanya Mahal, Ranthambore.

• **Visits of prominent personalities to the Hotel**

Royal Orchid family has been greatly honored and delighted with the visits and presence of many prominent personalities like:

- Mr. Narendra Modi, Prime Minister of India.
- Mr. Jagat Prakash Nadda, Union Minister for Health and Family Welfare.
- Mr. Amitabh Bachchan, Legendary Film Star.
- Mr. Shahrukh Khan, Actor / Bollywood Superstar.
- Mr. Akkineni Nagarjuna, Actor / Telugu Superstar.
- Mr. Lakshmi Narayan, Managing Director, Harman International.
- Professor Jhon B Gurdon, Nobel Laureate in Medicine.
- Professor Serge Haroche, Nobel Laureate in Physics.
- Professor David J. Gross, Nobel Laureate in Physics.
- Professor Dan shechtman, Nobel Laureate in Chemistry.
- Mrs. Vyjayanthimala, Bollywood Sensation from the 50's and 60's.

• **Participation in major Exhibitions held during the year**

PATA 2016 – Pacific Asia Travel Association on Sept 7 - 9, 2015 at the Bangalore International Exhibition Centre.

Great Indian Travel Bazaar on April 19 - 21, 2016 at the Jaipur Exhibition and Conference Centre.

• **Construction of Convention Halls and Renovation of Banquets**

Your Company has recently opened two convention halls in Bengaluru at the Royal Orchid Resort and Convention Hall, Yelahanka, Bengaluru and also renovated the Banquets and rooms, at the Hotel Royal Orchid, Bengaluru, besides renovation of hotels.

Risk and Concerns

Royal Orchid group is well spread across in India with presence both in tier-I and tier II cities. For our growth plans, the most important resource is the manpower and finding the good quality people in the hospitality industry is one of the biggest challenges. Even tourist facilities have lack of skilled people to fill all the positions to cater to international visitors. The government is taking lot of initiatives for the development of tourism infrastructure, but the tourism industry is weighed down by infrastructure problems once visitors arrive, including inadequate

roads, water, sewer and telecommunications. Service, luxury and transportation taxes are high, and hit visitors in their pocket when planning a trip to India. With Goods and Services Tax (GST) likely to be passed and this could lead to higher taxes which in turn could impact 3-5 star category of hotels. Tourism and hospitality industry growth is highly correlated to the social and economic environment and any social unrest in any part of the country could impact the tourist inflow especially foreign.

Internal Control Systems and adequacy

The Company has placed strict Internal Control Systems across various functions which are adequate and commensurate with the size of the operations. The operations of each of the individual hotel units are continuously monitored on a daily basis by various functional heads and a well structured Management Information System Report facilitates speedy identification and correction of deviations occur, if any.

Under the guidance and reference of the Audit Committee of Directors, an independent firm of Chartered Accountants conducts the internal audits on concurrent basis across all the units of the Company and reports generated are reviewed at every meeting of Audit Committee of Directors. The Audit Committee of Directors reviews the scope and extent of audit functions through periodical discussions with the Company's Statutory and Internal Auditors and advises the modifications / improvements in the same, as and when required.

Human Resources Initiatives

The Company continues to maintain a very cordial and healthy relationship with its workforce across all its units. The total number of permanent employees on roll and contractual employees as at March 31, 2016 was 3,124 across all its units.

The Company is ensuring the best place to work to attract and retain good employees in the Company. The Company continued to strive towards attracting, retaining, training, multiskilling employees. With the increase in workforce due to expansion in business, envisaging the requirement of adequate on the job training across the various levels of employees, a major thrust to the training and development of multiskilled certification programmes has been initiated through Presidency college of Hotel Management. Under the 'Hotel Royal Orchid Employees Welfare Trust' the Company continues to offer financial support for medical and educational needs of certain category of employees.

Cautionary Statement

The business of the Hotel industry largely depends on the tourism and business related travel activities. Thus, any impact on the Tourism or general business related travelling activities affects the performance of the hotel industry. In view of the same, the 'forward looking statements' are to be understood in the right perspective.

III. Governance through Management Process

Empowerment and Control:

Royal Orchid's Board believes that it is essential for effective corporate governance; management must have the freedom to drive the business forward. The Board believes in this principle and has vested the decision-making powers at the most appropriate levels in the organizational hierarchy. It is the core principle of corporate governance that while the Board of Directors are accountable to the shareholders, the management is accountable to the Board. With an optimum combination of the empowerment with accountability, it would lead to improved effectiveness, thereby enhancing shareholder value. The aforesaid would not yield any results without adequate control which is necessary and thus freedom of management should be exercised within a framework of appropriate checks and balances. Control should prevent misuse of power, facilitate timely management response to change, and ensure that business risks are pre-emptively and effectively managed.

Independent Auditors' Report

To the Members of Royal Orchid Hotels Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **ROYAL ORCHID HOTELS LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 2 of the financial statements. As stated therein, the Company's current liabilities exceeded its current assets as at the balance sheet date by ₹ 1,512.10 lakhs. Further, the Company is committed to provide financial and operational support to a jointly controlled entity and two of its subsidiaries. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis considering the credit facility/term loan firmed up with a bank/ financial institution, management's assessment of future operational plans and cash flows to discharge its liabilities in the normal course of business and other mitigation plans as described in the said Note. The ability of the Company to continue as a going concern is dependent on the successful outcome of the mitigation plans.

Independent Auditors' Report *(continued)*

Our opinion is not qualified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
- (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The going concern matter described under the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements ;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ROYAL ORCHID HOTELS LIMITED** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company as of and for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business,

Independent Auditors' Report *(continued)*

including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements

1) Background

Royal Orchid Hotels Limited ('the Company') is a public company and is domiciled in India. The Company was incorporated in 1986. The shares of the Company are listed on Bombay and National stock exchange in India. The Company is engaged in the business of operating and managing hotels/ resorts and providing related services, through its portfolio of hotel properties across the country.

2) Operational outlook

During the year ended 31 March 2016, the Company and one of its jointly controlled entities have firmed up credit facility/term loan with a bank/financial institution. While the current liabilities of the Company exceed its current assets by ₹ 151,209,656 as at 31 March 2016 and the Company is committed to provide financial and operational support to a jointly controlled entity and two subsidiaries, in view of the above development and also the plan for improving operating cash flows through cost synergies, exploring avenues of enhancing revenues, disposing off certain investments and restructuring of debt in one of the subsidiaries etc., the management is confident of improving and maintaining sustainable operating cash flows and accordingly the financial statements are prepared and presented on a going concern basis, which contemplates realization of assets and settlement of liabilities in the normal course of business.

3) Summary of significant accounting policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenues comprise income from the sale of room nights, food, beverages and allied services during a guest's stay at the hotel. Room revenue is recognised based on occupation and revenue from sale of food, beverages and other allied services, as the respective services are rendered with reasonable certainty of ultimate collection. Other revenues are recognised as and when the services are performed or the right to receive claim is established, with reasonable certainty for ultimate collection. Rebates and discounts granted to customers are reduced from revenue.

Income from management and technical services are recognised as the services are rendered based on the terms of the contract.

Unbilled revenues represent revenues recognised which have not been billed to the customers at the Balance Sheet date.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the Statement of Profit and Loss.

d) Tangible assets

Fixed assets are stated at the cost less accumulated depreciation and impairment losses, if any. The cost comprises of purchase price and other costs directly attributable to bringing the assets to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Notes to financial statements *(continued)*

3) Summary of significant accounting policies *(Cont'd)*

d) **Tangible assets** *(Cont'd)*

Advances paid towards the acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as `capital advances` under long-term loans and advances. The cost incurred towards fixed assets, but not ready for their intended use before each Balance Sheet date is disclosed as `capital work-in-progress`, if any.

e) **Depreciation and amortisation**

Depreciation on fixed assets is calculated on the straight-line basis using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its fixed assets, as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013.

Building (including improvements) constructed on lease hold land is amortised on a straight line basis over the period of the lease.

Asset category	Useful Life (years)
Plant and equipment	15
Furniture and fixtures	8
Vehicles	6
Office equipment	5
Computer equipment	3

f) **Borrowing costs**

Borrowings costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sales are capitalised as part of the cost of respective assets. All other borrowing cost are expensed in the period they occur.

g) **Impairment of assets**

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

h) **Investments**

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

On disposal of an investment, the difference between the carrying value and net disposal proceeds is charged or credited to the statement of Profit and Loss.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the long-term investments.

Notes to financial statements *(continued)*

3) Summary of significant accounting policies *(Cont'd)*

i) Inventory

Inventory comprises food, beverages, stores and spare parts and are valued at the lower of cost and net realisable value.

Cost includes cost of purchase and other costs incurred in bringing the goods to their present location and condition and is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion to make the sale.

j) Foreign currency transactions

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

k) Leases

Where the Company leases land and buildings along with related assets as a part of a combined lease arrangement, the Company determines whether these assets acquired are integral to the land and building. If these assets are integral, the Company analyses the nature of the lease arrangement on a combined basis for all assets. If the assets are not integral to the land and building, the Company evaluates each asset individually, to determine the nature of the lease.

Finance leases

Leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the lower of the fair value of the leased property and present value of the minimum lease payments at the inception of the lease term. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the Statement of Profit and Loss. Lease management fees, legal charges and other initial direct costs are capitalised.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalised leased assets are depreciated on a straight line basis over the shorter of the estimated useful life of the asset or the lease term.

Operating leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the lease term.

l) Employee benefits

Employee benefits include provident fund, employee state insurance scheme, labour welfare fund, gratuity and compensated absences.

Defined Contribution plans

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Notes to financial statements *(continued)*

3) Summary of significant accounting policies *(Cont'd)*

l) Employee benefits *(Cont'd)*

Defined benefit plans

The Company operates a defined benefit plan for its employees, viz., gratuity liability. The cost of providing benefits under gratuity plan is determined on the basis of actuarial valuation at each year-end using projected unit credit method. Actuarial gains and losses are recognized in full in the year in which they occur in the Statement of Profit and Loss.

Short-term and long-term employee benefits

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred.

m) Tax expense

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realised against future taxable profits.

Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably/virtually certain that future taxable income will be available against which such deferred tax assets can be realised.

n) Earnings per share

Basic earnings/(loss) per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings/(loss) per share, the net profit or loss for the year attributable to the equity shareholders' and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Notes to financial statements *(continued)*

3) Summary of significant accounting policies *(Cont'd)*

o) Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

p) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

q) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

r) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

29. Operating leases

The Company has taken various hotel properties and offices on cancellable and non-cancellable leases, which have tenures ranging from 11 months to 15 years. Some of these leases have periodical escalation in lease rentals and/or a share of annual revenues from such properties, in excess of pre-agreed limits.

The lease expense for cancellable and non-cancellable operating leases recognised during the year ended 31 March 2016 is ₹ 103,070,530 (31 March 2015 ₹ 100,132,167).

30. Commitments and contingencies

a) Litigations

- The Company has been named as a defendant in two civil suits filed claiming certain parts of land which are adjacent to the hotel premises which were leased from the Karnataka State Tourism Development Corporation ("KSTDC") and Bruhat Bengaluru Mahanagara Palike ("BBMP") and being in the possession of the Company, since 1992 and 2004 respectively. These cases are pending with the Civil Court and High Court respectively and scheduled for hearings shortly. The management believes that these cases will be settled in its favour and will not adversely affect its operations.
- The Company has been named as a defendant along with Cygnus Business Consulting & Research Private Limited in a suit filed in mid 2008 by Kamat Hotels (India) Limited ('the plaintiff') restraining the alleged use of the trademark of the plaintiff by the Company since 1997. The plaintiff seeks a relief of a permanent injunction restraining the Company from using the trademark 'Orchid'. The plaintiff had filed an application seeking an interim injunction while the above proceedings are pending. The Bombay High Court vide its interim order dated April 05, 2011, has allowed the Company to continue to operate its current hotels as on that date but has restrained the Company from opening new hotels under the said brand. However, the Division bench of the Bombay High Court vide its order dated May 06, 2011 has partially stayed operation of the said Order and allowed opening of one of Company's proposed hotels in Vadodara under the 'Royal Orchid' brand. During the year ended 31 March 2014, the Company has obtained favourable rulings from the Intellectual Property Appellate Board. The Madras High Court has passed an order in Feb, 2015 for cancellation of Registration of Trademark, against which the Company has filed an appeal before the Supreme Court and the appeal is yet to come up for hearing before Supreme Court. The management believes that the case will be settled in its favour and will not affect its current and future operations.

Notes to financial statements *(continued)*

iii) The Company received tax demand including interest, from the Indian tax authorities for payment of tax of ₹ 44.90 million, arising on denial of certain expenditure, upon completion of tax assessment for the fiscal years 2009, 2011 and 2012. The Company's appeal against the said demands are pending before appellate authorities in various stages of litigation.

Considering the facts and nature of disallowances, the Company believes that the final outcome of the disputes should be in favour of the Company and will not have any material adverse effect on the financial position and results of operations.

b) *Guarantees*

The Company has given guarantees to banks for loans sanctioned to subsidiaries, jointly controlled entities amounting to ₹ 1,650,000,000 (31 March 2015: ₹ 1,750,000,000) and an unrelated party amounting to ₹ Nil (31 March 2015: ₹ 225,000,000). The loans availed and outstanding at year end - ₹ 382,000,000 (31 March 2015: ₹ 479,557,432).

c) *Export obligation*

The Company has received various Export Promotion Capital Goods ('EPCG') licenses which entitles it to import capital goods at a concessional rate of duty. Against these imports, the Company has an export obligation equal to eight times the duty amount saved. The Company's export turnover till date is in excess of this obligation.

Independent Auditors' Report

To the Members of Royal Orchid Hotels Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **ROYAL ORCHID HOTELS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its jointly controlled companies, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its jointly controlled companies in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group and of its jointly controlled companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act; for safeguarding the assets of the Group for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and, its jointly controlled companies as at March 31, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 1(b) of the financial statements. As stated therein, the current liabilities exceed the current assets of the Group and jointly control companies by ₹ 4,469.82 lakhs as at March 31, 2016. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Group's and jointly controlled companies' ability to continue as a going concern. However, the consolidated financial statements of the Group and its jointly control companies have been prepared on a going concern basis considering the credit facility/term loan firmed up with a bank / financial institution, management's assessment of future operational plans and cash flows to

Independent Auditors' Report *(continued)*

discharge its liabilities in the normal course of business and other reasons as described in the said Note. The ability of the Group and jointly control companies to continue as a going concern is dependent on the successful outcome of the mitigation plans.

Our opinion is not qualified in respect of this matter.

Other Matters

We did not audit the financial statements of eleven subsidiaries, and four jointly controlled companies, whose financial statements reflect total assets of ₹ 14,205.93 lakhs as at March 31, 2016, total revenues of ₹ 2,479.66 lakhs and net cash flows amounting to ₹ 39.01 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled companies, is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) The going concern matter described under the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Group and jointly control companies.
 - e) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.

- f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and jointly controlled companies incorporated in India, none of the directors of the Group companies and its jointly controlled companies incorporated in India is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary companies and jointly controlled companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of Holding company/ subsidiary companies / jointly controlled companies incorporated in India
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its jointly controlled companies.
 - ii. The Group and its jointly controlled entities did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and jointly controlled companies incorporated in India.

Independent Auditors' Report *(continued)*

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT (Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of **ROYAL ORCHID HOTELS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary companies, its jointly controlled companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and joint controlled companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary companies, and its jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to ten subsidiary companies and four jointly controlled companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

2 Summary of significant accounting policies

(a) Basis of preparation

The consolidated financial statements of the Group and its jointly controlled entities have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Holding Company has prepared these consolidated financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 and the relevant provisions of the Companies Act, 2013 (the 2013 Act). The consolidated financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year.

(b) Use of estimates

'The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

(c) Principles of consolidation (Cont'd)

The consolidated financial statements are prepared in accordance with the principles and procedures for the preparation and presentation of consolidated financial statements as prescribed in Accounting Standard (AS) - 21, Consolidated Financial Statements. The consolidated financial statements have been combined on a line-by-line basis by adding the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealised profits in full. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the Balance Sheet of the Holding Company and its share in the post-acquisition increase/decrease in the relevant reserves of the consolidated entity.

The period of financial statements of the subsidiaries and jointly controlled entities for the purpose of consolidation is consistent with that of the Holding Company.

Minority interest represents the amount of equity attributable to minorities at the date on which investment in a subsidiary is made and its share of change in the equity since that date. Any excess consideration received from minority shareholders of subsidiaries over the amount of equity attributable to the minority on the date of investment is reflected under reserves and surplus.

Proportionate share of interest in jointly controlled entities has been accounted for by the proportionate consolidation method in accordance with Accounting Standard (AS) - 27, Financial Reporting of Interests in Joint Ventures.

The excess/deficit of cost to the Holding Company of its investment over its portion of net worth in the

consolidated entities at the respective dates on which the investment in such entities was made is recognised in the consolidated financial statements as goodwill/ capital reserve. The Holding Company's portion of net worth in such subsidiaries is determined on the basis of book values of assets and liabilities as per the financial statements of the subsidiaries as on the date of investment and if not available, the financial statements for the immediately preceding period adjusted for the effects of significant changes.

Consolidated financial statements are prepared using uniform accounting policies across the Group and its jointly controlled entities.

(d) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and its jointly controlled entities and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenues comprise income from the sale of room nights, food, beverages and allied services during a guest's stay at the hotel. Room revenue is recognised based on occupation and revenue from sale of food, beverages and other allied services, as the respective services are rendered with reasonable certainty of ultimate collection. Other revenues are recognised as and when the services are performed or the right to receive claim is established, with reasonable certainty for ultimate collection. Rebates and discounts granted to customers are reduced from revenue.

Notes to Consolidated financial statements *(continued)*

Income from management and technical services are recognised as the services are rendered based on the terms of the contract.

Unbilled revenues represent revenues recognised which have not been billed to the customers at the Balance Sheet date.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the Consolidated Statement of Profit and Loss.

(e) Fixed assets

Fixed assets are stated at the cost less accumulated depreciation and impairment losses, if any. The cost comprises of purchase price and other costs directly attributable to bringing the assets to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Consolidated Statement of Profit and Loss for the period during which such expenses are incurred.

Advances paid towards the acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as 'capital advances' under long-term loans and advances. The cost incurred towards fixed assets, but not ready for their intended use before each Balance Sheet date is disclosed as 'capital work-in-progress', if any.

(f) Depreciation and amortisation

Depreciation/amortization on fixed assets is provided on the straight-line method using the rates arrived at based on the useful lives estimated by the management. The Group and its jointly controlled entities has used the following rates to provide depreciation on its fixed assets, as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013.

Leasehold building (including improvements) are amortised over the lease period.

Asset category	Useful life (years)
Buildings	30
Plant and equipments	15
Furniture and fixtures	8
Vehicles	6
Office equipments	5
Computer equipments	3
Computer software	3

(g) Borrowing costs

Borrowings costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets for the period up to the completion of their acquisition or construction. All other borrowing costs as incurred are charged to the Consolidated Statement of Profit and Loss.

(h) Goodwill

Goodwill on consolidation is not amortised and is tested for impairment on an annual basis. Goodwill on acquisition of business is amortised over a period of five years.

(i) Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset)

Notes to Consolidated financial statements *(continued)*

in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

(j) Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

On disposal of an investment, the difference between the carrying value and net disposal proceeds is charged or credited to the statement of Consolidated Profit and Loss. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the long-term investments.

(k) Inventory

Inventory comprises food, beverages, stores and spare parts and are valued at the lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the goods to their present location and condition and is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion to make the sale.

(l) Foreign currency transactions / translations

Transactions in foreign currencies entered into by the group are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items (other than derivative contracts) of the group, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the group are carried at historical cost.

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Consolidated Statement of Profit and Loss.

Integral foreign operations: Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company's integral foreign operations are recognised as income or expense in the Consolidated Statement of Profit and Loss

Non-integral foreign operations: The exchange differences on translation of balances relating to nonintegral foreign operations are accumulated in a "Foreign currency translation reserve" until disposal of the operation, in which case the accumulated balance in "Foreign currency translation reserve" is recognised as income / expense in the same period in which the gain or loss on disposal is recognised.

(m) Lease

Where the Group and its jointly controlled entities lease land and buildings along with related assets as a part of a combined lease arrangement, the Group and its jointly controlled entities determine whether these assets acquired are integral to the land and building. If these assets are integral, the Group and its jointly controlled entities analyse the nature of the lease arrangement on a combined basis for all assets. If the assets are not integral to the land and building, the Group and its jointly controlled entities evaluate each asset individually, to determine the nature of the lease.

Operating leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the consolidated Statement of Profit and Loss on a straight line basis.

Notes to Consolidated financial statements *(continued)*

(n) Employee benefits

Employee benefits include provident fund, employee state insurance scheme, Labour Welfare fund, gratuity and compensated absences.

Defined Contribution plans

The Group and its jointly controlled entities contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

The Group and its jointly controlled entities operates a defined benefit plan for its employees, viz., gratuity liability. The cost of providing benefits under gratuity plan is determined on the basis of actuarial valuation at each year-end using projected unit credit method. Actuarial gains and losses are recognized in full in the year in which they occur in the Statement of Profit and Loss.

Short-term and long-term employee benefits

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred.

(o) Tax expense

Current tax

Provision is made for income tax under the tax payable method based on the liability computed after taking credit for deductions, allowances and exemptions as per the relevant tax regulations.

Minimum Alternate Tax

Minimum alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group and its jointly controlled entities will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Group and its jointly controlled entities.

Deferred tax

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realised against future taxable profits.

Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably/virtually certain that future taxable income will be available against which such deferred tax assets can be realised.

(p) Earnings per share

Basic earnings/(loss) per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings/(loss) per share, the profit/loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Notes to Consolidated financial statements *(continued)*

(q) Provisions and contingent liabilities

The Group and its jointly controlled entities creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(r) Cash and cash equivalents

The Group and its jointly controlled entities considers all highly liquid investments with a remaining maturity, at the date of purchase/investment, of three months or less to be cash equivalents.

(s) Cash flow statement

The cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group and its jointly controlled entities are segregated.

(t) Operating cycle

Based on the nature of products/activities of the Group and its jointly controlled entities and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group and its jointly controlled entities has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note:

Certain entities of the Group have a net deferred tax asset as at 31 March 2016 significantly arising from unabsorbed depreciation and brought forward tax losses. As a matter of prudence and in the absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available to set off deferred tax assets arising out of such brought forward losses and unabsorbed depreciation, the group has recognized deferred tax asset on unabsorbed depreciation only to the extent of the corresponding deferred tax liability on the difference between the book balance and the written down value of fixed assets under Income Tax Act.

33 Operating leases

The Group and its jointly controlled entities has taken various hotel properties and offices on cancellable and non-cancellable leases, which have tenures ranging from 11 months to 30 years. Some of these leases have an escalation in lease rental of 15% every 3-10 years and / or a share of annual revenues from such properties, in excess of pre-agreed limits.

The lease expense for cancellable and non-cancellable operating leases recognised during the year ended 31 March 2016 is ₹ 151,534,911 (31 March 2015 ₹ 144,668,656).

The details of lease commitments in terms of minimum lease payments within the non-cancellable period are as follows:

Payments falling due	Year ended 31 March 2016 ₹	Year ended 31 March 2015 ₹
Within one year	78,849,924	84,338,295
Later than one year but not later than five years	102,494,281	181,832,082
Later than 5 years	216,974,867	203,186,984
	398,319,072	469,357,361

34 Commitments and contingencies

a) Litigations

- i) The holding company has been named as a defendant in two civil suits filed claiming certain parts of land which are adjacent to the hotel premises which were leased from the Karnataka State Tourism Development Corporation ("KSTDC") and Bruhat Bengaluru Mahanagara Palike ("BBMP") and being in the possession of the holding company, since 1992 and 2004 respectively. These cases are pending with the Civil Court and High Court respectively and scheduled for hearings shortly. The management believes that these cases will be settled in its favour and will not adversely affect its operations.
- ii) The holding company has been named as a defendant along with Cygnus Business Consulting & Research Private Limited in a suit filed in mid 2008 by Kamat Hotels (India) Limited ('the plaintiff') restraining the alleged use of the trademark of the plaintiff by the holding company since 1997. The plaintiff seeks a relief of a permanent injunction restraining the holding company from using the trademark 'Orchid'. The plaintiff had filed an application seeking an interim injunction while the above proceedings are pending. The Bombay High Court vide its interim order dated April 05, 2011, has allowed the holding company to continue to operate its current hotels as on that date but has restrained the holding company from opening new hotels under the said brand. However, the Division bench of the Bombay High Court vide its order dated May 06, 2011 has partially stayed operation of the said Order and allowed opening of one of holding company's proposed hotels in Vadodara under the 'Royal Orchid' brand. During the year ended 31 March 2014, the holding company has obtained favourable rulings from the Intellectual Property Appellate Board. The Madras High Court has passed an order in Feb, 2015 for cancellation of Registration of Trademark, against which the holding company has filed an appeal before the Supreme Court and the appeal is yet to come up for hearing before Supreme Court. The management believes that the case will be settled in its favour and will not affect its current and future operations.
- iii) The holding company received tax demand including interest, from the Indian tax authorities for payment of tax of ₹ 44.90 million, arising on denial of certain expenditure, upon completion of tax assessment for the fiscal years 2009, 2011 and 2012. The holding company's appeal against the said demands are pending before appellate authorities in various stages of litigation. The holding company is contesting the above demands and the management believes that it is more-like-than-not that the advance tax receivables (net of provision) recorded in the financial statements towards the tax demands is recoverable. Considering the facts and nature of disallowances, the Company believes that the final outcome of the disputes should be in favour of the holding company and will not have any material adverse effect on the financial position and results of operations.
- iv) During the year 2013-14, a Subsidiary Company had received order from Office of the Commissioner of Customs (Export) imposing differential duties and penalties amounting to ₹ 32,336,410 plus applicable interests for certain alleged violations of the Export Promotion Capital Goods Scheme. The Company has filed an appeal before the CESTAT, Mumbai and an unconditional stay in the matter is granted till the disposal of the appeal. Based on a detailed evaluation and independent advice obtained, the management believes that the case will be settled in its favour. Accordingly, these financial statements do not include adjustments, if any, on the above account.
